

BUY ONE, DONATE ONE.

This school year, Carillon PTA plans to donate school supplies to our Carillon families that are in need. We hope to be able to help all throughout the school year!

When you are out shopping for those school supplies, consider buying an extra item or two and donating them to the Carillon PTA for our Comets.

Please drop off any donations at the PTA table during "Meet the Teacher" or any time at the front office!
