Message from the President

We are determined to have an AWESOME second half of the school year! Keep Climbing is such a great school theme!

Thank you for all who have signed up for information on volunteer opportunities. We are so excited to have so many new faces and are overwhelmed by your support. We welcome anyone who wants to get more involved and invite you to request additional information about volunteer opportunities.

Just reach out and let us know your **email** and we'll get the ball rolling! Big thanks to our PTA Board members who have been working behind the scenes to make events happen and plan for future events.

Take a moment to LIKE our Facebook page! Check out the **VIRTUAL BACKPACK** on our website. This has all the flyers that we send home and is a great resource to stay informed. Looking forward to seeing you around campus and our community.

We are looking for up to 12 families that would like to participate in **Around the World** with Carillon Drive Through. You will display items from your culture, music, clothes, food (can give out individually wrapped samples).

Also looking for different cultures to do a performance of some kind during school hours. Please email Angela Relyea to sign up or if you have questions: ptapresidentcarillon@gmail.com or call 407-276-3920

This event will take place on a Friday evening at the end of February or early March.

HOSPITALITY

PTA Hospitality gave our teachers and staff a JOYFUL mug with a good old fashion chocolate bomb, a comet cookie, and a water bottle that says "I survived 2020"

We ❤️ our teachers!
